

Kids in Honduras need to see what the work looks like. Would you like to help them?

There are 17 libraries waiting hopefully for a map to put on their wall for their kids.

I sure wish I had a map to put  
On our walls

Send a map of Central America, North America, South America, the World, Africa, Europe,

Australia, Etc. to:

Garifuna Library Project

c/o Dr. Tom Camp

588 Llama Lane

Quinton, Al. 35130

We will see that it gets to one of the libraries in Honduras

Thanks,

Garifuna Library Team
