

A REPORT FROM THE GIRLS- SHALOM HOME

Dear Sponsors:

We pray God's rich and abundant blessings on each one of you.

GOOD NEWS: We have a brand new roof on the dorm. Thanks to the Jones team, the Connors and those great Alabama folks! Praise The Lord!

We ask your continuous prayers for the political situation in Honduras. We must report that at La Ceiba we have only had minimum problems. P.T.L. However the teachers have been on strike so therefore the girls have lost a lot of classes. The school system has started to work again, so the girls are getting back in to their routine of school.

Needless to say the girls were getting a bit bored, however they did have a day of shopping, and they had 2 birthdays to celebrate: Danelia's and Jackeline's. They also enjoyed a Pizza outing with the last team.

Magdalena left for San Pedro last Sunday to continue her medical studies in the university. Please keep her in your prayers.

Keydy, Karla and Magdalena starts back in university classes this Monday. Suyapa is also taking college classes on the weekends to get a specialty in Spanish Literature Teaching.

The new girls are: Dina, Yoseli, Dilcia, Cecilia, Estela and Yarmani.

In Middle school we have Alba, Jenny, Emily, Dilcia, Cecilia, Yoseli, Estela and Fanny. The first three will be graduating this year. These have all been learning to make hamacas in school, so that has been fun for them. Dina is in 6th. Grade. She will also be having a graduation this year from Primary school.

In High school we have Jackeline, Flor, Danelia and Ana. Ana class has started to do their social service for the school, by cleaning and white washing the trees.

Yarmani won first prize for typical costume in her school.

Cristy, from Alabama has been visiting with the girls, she has been helping them to get the place cleaned up.

Our special thanks to each of you for helping with the Shalom Home. May Our Lord shower you with His blessings!

Danelia and Jackeline celebrated their birthdays.

Yarmani won first place for best typical costume at her school
