

It's A God Thing 2011  
June 3<sup>rd</sup> – June 12<sup>th</sup>  
Belair, Honduras, Central America

Friday, June 3<sup>rd</sup> – We'll fly out of Huntsville airport & into San Pedro Sula Honduras. We'll then take a 3 hour bus ride to La Ceiba and spend the night.

Saturday, June 4<sup>th</sup> - If possible, we'll help with the soup kitchen at the dump in La Ceiba, and then fellowship with the Cruzadas staff and the girls at the dorm.

Sunday, June 5<sup>th</sup> – Go to church, & then on to Belair to set up the clinics for our work to start the next day. We'll get checked into a different motel today too.

Monday, June 6<sup>th</sup> – Friday, June 10<sup>th</sup> – Work in the medical and eye glass clinics. We'll also go out & make some house calls into the mountains as needed.  
- Friday evening, the clinics will close & we return to La Ceiba.

Saturday, June 11<sup>th</sup> – Our “Off Day” - No Clinics. We'll go souvenir shopping that morning & afternoon, and the day will be topped off with a hotdog/marshmallow cookout with the girls living in the dorm at Cruzadas, which we met earlier in the week.

Sunday, June 12<sup>th</sup> – The majority of the team will be heading back to ‘sweet home Alabama’. *But*, for those who want to stay a few more days, we will go to the island of Utila and fellowship with the friends that we have made from there over the past 3 years.

All of the work that is done (eyeglasses, medical, etc), those are just ‘physical tools’. Our goal is to evangelize and to win souls for The Lord!

This is God's team, & it's forming now. Please pray about it & let me know if your name is supposed to be on the list.
